about us  
hakkımızda

Hayırlı İş, Hayrettin Erdemir tarafından 1965 yılında kurularak ticari hayatına başlamış; 1985 yılından itibaren günümüze kadar ise mobilya ve sanayi tekerleri konusunda üretici olarak yerini almıştır. Sektöründe 40 yıllık bilgi birikimi ve 20 yıllık tecrübesini teknolojinin çağdaş alt yapısını kullanarak, koşulsuz müşteri memnuniyetini temel görev olarak kabul etmiş ve uzun deneyimler sonucunda bu günlere gelmiştir.

Hızlı ve kaliteli üretimin otomasyon ve programlı çalışmadan geçtiğinin bilincinde olan şirket; makine parkurundaki bilgisayarlı makinelerle birlikte otomatik kalıp otomasyon sisteminde de en son teknolojiyi izleyip uygulamaktadır.

Hayırlı İş çalışmalarının önemli bir kısmını ARGE (Araştırma/Geliştirme) ÜR-GE ( Ürün Geliştirme ) konulan teşkil etmektedir. Bu sebeple bu gün kalite ve güven konusunda sektörde küçümsenmeyecek itibara sahiptir.

Farklı kapasitelerde pek çok ürünün imalatı ile satışını yapan ve "showroom" unda müşterilerine sergileyen firmamız, küçük büyük her kuruluşun ihtiyacını aynı titizlik ve ciddiyetle karşılamaktadır.

Müşteri istek ve beklentilerinin en iyi şekilde tespit edilmesinin ancak onlarla birebir görüşmekten geçtiği düşüncesiyle hareket eden Hayırlı İş, bu bağlamda gerek Türkiye'de gerekse yurtdışında bulunan bir çok merkezle irtibat kurmuş ve periyodik aralıklarla bunu sürdürmüştür.

30.000 adet/gün ve 780.000 adet/ay olan üretim kapasitesini, 2005 yılı itibarı ile 45.000 adet/gün ve 1.170.000 adet/ay'a çıkarmayı hedefleyen Hayırlı İş'in son yıllarda ağırlık verdiği ihracat departmanı toplam performansının % 65'lik bölümünü oluşturmaktadır. Yurtdışında hizmet verdiği tüm Avrupa ve Asya ülkeleri dışında ağırlıklı olarak Rusya, Ukrayna, Bulgaristan, Cezayir, Azerbaycan, İran ve Irak ile ticaret gerçekleştirmiştir.

Hayırlı İş yeniliklere ve gelişime açık genç, dinamik yönetim ve üretim kadrosuyla sektöründe emin adımlarla ilerlemektedir.

HTS caster systems (Hayirli Is) was founded by Hayrettin Erdemir and began its commercial life in 1965. Since 1985, it has taken its place as the manufacturer of furniture and industrial casters. Using its 20-year-experience and contemporary infrastructure, the company adopted unconditional customer satisfaction as its main principle.

The company, who is aware that fast and quality production resulted through the automation and scheduled work, follows and implements the latest technology in automatic mould system and computerising of machines.

HTS caster systems' considerable part of bussiness comprises of R&D (Research/Development) and Product Development. For this reason, the company earned a big reputation in the sector which cannot be easily underestimated.

Manufacturing and selling the wide range of products in different capacities ,and displaying them in showroom, the company pays equal attention and seriousness to requirements of both big and small company customers.

Determining that the best way of meeting customer's needs and expectations comes with periodical one-to-one negotiation, HTS Saster Systems established strong connections with local customers within Turkey as well as with foreign customers abroad.Export department which is considered more in recent years now comprises 65% of total production. As per 2010, production capacity of 60.000 units/day and 1.566.000 units/month was aimed to be increased to 75,000 units/day and 1.950.000 million units/month. Having established bussines connections with European and Asian countries "HTS Caster" mainly works with Russia, Ukraine, Bulgaria, Algeria, Azerbaijan, Iran and Iraq.

HTS CASTER SYSTEMS is progressing reliably in the sector and looking confidently to its future with its young dynamic management and production staff open to innovations and developments.

Компания Хайрлы Ис начала коммерческую деятельность с момента ее создания Хайреттин Эрдемиром в 1965 году и с 1985 года по настоящее время является производителем промышленных колес и колесиков для мебели. На сегодняшний день компания добилась результатов на основе использования 20-ти летнего опыта и современной структуры производства , а также усвоения принципа безусловного удовлетворения потребности клиентов.

Компания, сознавая что быстрое и качественное производство базируется на его автоматизации и программировании, применяет программируемые станки с автоматизированной системой по последним достижениям технологий. Важное место компании Хайрлы Ис занимает научно-исследовательская работа и совершенствование продукции. В результате этого сегодня компания имеет солидный авторитет в области качества и надежности.

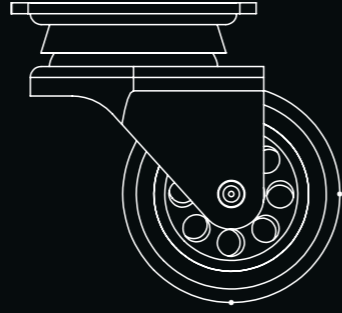

Большой ассортимент товара показан в шоуруме, компания с одинаковым вниманием и серьезностью относится к запросам маленьких и больших закупок.

Компания Хайрлы Ис поставила цель увеличить производство в 2010 году с 60 000 шт./день и 1 560 000 шт./месяц до 75 000 шт./день и 1 950 000шт./месяц.

Сегодня экспортный департамент составляет 65% от общей производительности ,обслуживая запросы практически всех стран Европы и Азии. Основными торговыми партнерами являются Россия, Украина, Болгария, Азербайджан, Иран, Алжир, Ирак и т. д. Компания Хайрлы Ис уверенными шагами идет вперед в своем секторе со своим молодым, динамичным и открытым всем новинкам в производстве с управленческим и производственным персоналом.
